Students applying this cycle must sign up for a 45 minute HPC letter interview with Dr. Gibson sometime between mid-February and mid-April.

This is an informal interview, the purpose of which is to get to know each student better, so that the health professions committee letter can be personalized.

When you sign up, be sure to block off one hour of time on the calendar. You can find the calendar at https://gibsoncl.youcanbook.me. Additional times will be posted in early February, and throughout the semester.

If you are a reapplicant who is planning to apply this cycle, and you have already had an HPC Interview with Dr. Gibson, you do not need to do another HPC Interview this year.

If you are applying to the Early Assurance Program in 2021, these instructions apply to you as well.
