

Checklist for Students Applying to Medical School in Spring 2024

- _____ Fall 2023 Attend fall information meeting (not required for alumni)
- _____ Advising appointment with Dr. Tomlinson. To make an appointment, go to: <http://prehealth.wfu.edu/resources/advisors/>
- _____ Visit OPCD for mock interview and for gap year guidance
- _____ Spring 2024 Begin to investigate medical schools. Select schools to which you plan to apply.
- _____ Review AMCAS, TMDSAS and AACOMAS application processes
- _____ April 15 Request your letters of recommendation by April 15th
- Complete a ferpa waiver for the individual letters you plan to request and share a completed copy of page one of this form with each of your letter writers. Submit both pages of your individual ferpa waiver form to prehealth@wfu.edu with your HPC Application by April 15th. Your letter writer will submit their letter directly to prehealth@wfu.edu when it is complete.
- Please note the deadline to make your requests is April 15th, but we encourage you to start the letter process as soon as possible.
- _____ April 15 Complete your HPC Application, along with the FERPA waiver for your Committee Letter, and submit it by following the instructions listed on the HPC Application.
- _____ May 1 AMCAS application becomes available (approximate date) to fill out but not submit.
- TMDSAS application becomes available.
- _____ May 10 Notification goes out to students who are still missing letters of recommendation 1 week prior to deadline
- _____ May 17 The letters of recommendation are due to the Health Professions Committee by this date.
- _____ May 20-24 Notification goes out to students who are still missing letters of recommendation the week after the deadline
- _____ May 15—June 1 Submit AMCAS letter ID pdf to prehealth@wfu.edu.

- _____ June 1 AMCAS applications may be submitted. The earlier you submit your application, the better your prospects for admission because medical schools use a rolling admission process.
- _____ July–Aug Complete secondary applications as soon as possible after receiving them.
- _____ Sept Interview invitations begin to be extended after Labor Day and continue through March
